BCMBA Member Benefits

BC Minor Baseball has been providing a healthy and vibrant baseball environment for the youth of British Columbia since 1963.

Over the decades we have had the luxury of developing some of the most comprehensive and in-depth programming in North America. That development has come through the countless years of dedication and hard work put forward by so many visionaries. Those visionaries, past, present, and future come from every walk of life. The common bond is the game and the desire to share it with as many people as possible, young and old.

To date, with the support and guidance of our member associations, affiliation with BC Minor Baseball delivers the following;

BC Minor Baseball Coaches Conference reaches close to 200 coaches and 100 players every February. A three-day coach focused conference that brings speakers like Reggie Smith, Roberto Alomar, Aaron Myette, Pete Caliendo, Jeff Krushell, Jim Lefebvre, Tom House, and a litany of other well-known baseball icons. The speakers share unique and insightful content that simply makes better coaches. This conference has reached international recognition with attendees coming from around the globe to attend.

BC Minor Baseball Coaches Caravan is an incredibly dynamic and engaging baseball roadshow. It is geared to the promotion and development of Grassroots baseball in communities throughout the Province. This program is a vital part of introducing young players to the organized aspect of the sport, yet holding firm on the number one priority of playing for fun. The Caravan has grown to run over three weeks and visit overs 20 communities from the Island to the North, down through the Interior and across the Lower Mainland. The impact of the Coaches Caravan is nothing short of transformative for those players and families who attend. We encourage you to ask one of the thousands who participate.
