

Waiver of Liability – USA Hockey

Players and Coaches that have registered on line with USA Hockey **do not** need to complete another copy of the Waiver of Liability. Team Managers should put a copy of their USA Hockey Registration Confirmation in the Managers Book.

Players and coaches can get another copy of their registration confirmation from the USA Hockey website.

USA Hockey Waiver of Liability form is no longer available online. This is a legal document and if required, a copy can be obtained from your association registrar.
