

Sponsorship Policy

The Club may accept cash donations of an unlimited amount from organizations and individuals each calendar year. Donations shall be payable to “Penfield Strikers Soccer Club”, and may be accepted by the Club for club use or for use by a specific team or teams, as designated by the donor.

The Club Treasurer shall appropriately account for donations accepted for the use of a specific team(s) in the Club’s books. Donations designated for the use of a specific team(s) shall be used by said team(s) for reasonable expenses which further the purposes of the Club. The team manager or coach of said designated team(s) will keep track of the use of such monies and include these details in the report submitted to the club at the end of the season. All donor funds must be used by the designated team(s) by the end of that season (August 31st) and they may NOT be carried over to the following season

The Club will list all donors as a “Club Booster” on our web page. Any organization donating two hundred fifty dollars (\$250.00) or more will receive a booster link from the Club web site to the donor’s web site (subject to Board approval) and a team photograph (subject to receipt of appropriate waivers from all parents or guardians of team members, and further subject to Board approval). In addition to the above benefits, the Club will print the logo of all organizations which donate five hundred dollars (\$500.00) or more on its “All Girls-All Soccer” program t-shirts (subject to Board approval). Donors of gifts in kind (such as free printing services) will be listed as Club Boosters based on the dollar value of their donated materials/services.

The Club shall not authorize advertising of any kind on team uniforms or apparel on behalf of donors.
