

# Field of Dreams Program

Before every Tuesday home game, two youth baseball teams will face off on the very same field that the Lake County Fielders play on as part of our Field of Dreams Program. The game will take place as the first game of a double header, with the Fielders game following that night. To participate, each team will purchase 200 reserved box tickets to either use for fundraising or for friends and family. Please contact the group sales department or email [groups@fieldersbaseball.com](mailto:groups@fieldersbaseball.com).
