

**Minnesota Hockey ACE Report
Winter Meeting 2011**

This past November 11-14, 2010. I was asked to attend the USA Hockey National ADM Training in Chicago Ill. Several members of the CEP team attended this event to be trained in the principals of ADM from members of USA Hockey and the IIHF. We spent time in the class room and then took to the ice and participate in a practice session. We also looked at dry land development for players 8 and under both boys and girls. I believe that we all came away with many great ideas

We did not waste any time as we hit the road running. We completed an every district visit. Rick Lowe ACE Special Projects team member, contacted each district ACE and CIC to set a date when USA Hockey Regional ADM Manager Guy Gosselin could come to a rink in their district and put on a demonstration of an ADM practice. Guy spent an hour going through the presentation with coaches, and association members that were interested in learning about ADM; and then took them to the ice sheet where the coach went through a basic U8 practice. Then back to the classroom to take Q and A, we were in 12 of 13 districts with a promise to complete the final district this spring. Below you will find those that were part of the training and are willing to help you and your district create an ADM program. Please let us know how we can help!

Minnesota ADM Team	Name	Email	Phone
USA Hockey Regional Manager	Guy Gosselin	guyg@usahockey.org	(719)337-4404
USA Hockey National Coach in Chief	Mike MacMillan	Mike.MacMillan@co.wright.mn.us	(612) 247-0507

Minnesota Hockey ADM Girls Trainer	Robert Driver	robertd@stma.k12.mn.us	(763) 447-9093

December 4 2010 we once again helped with skill development clinic's and coach certification for our Rec. Hockey League. I have to say that all those that helped did a great job with all the detail and even a little change in ICE time did not slow us down. We held clinic in South St. Paul, with District Director Tom Mickus, ACE/CIC Dan Muccio and on ice instructor Wes Bolin did a great job. . Eden Prairie District Director Brad Hewett, ACE Special Projects Rick Lowe and on ice instructor Chris Lonke did a great job. New Hope District Director Scott Dornfeld, Minnesota Hockey VP John Perry and ACE /on ice instructor was myself. I really what to thank all those that did the work, because it was a really fun day, when it all came together.

As for the CEP Season these guys did a great job supporting the Coach in Chief within their districts. I do not know how many times I had to call one of them and ask to have another coach added to their class roster. Thanks Team you made it a very easy season this year!

I would also like to take time to congratulate Christian Koeling on becoming the next USA Hockey Coach in Chief, Minnesota District and I look forward to helping support his program going forward.

Best Wishes on a strong finish to the season and please let me know if I can help in any way!

Sincerely;

Terry Evavold
Minnesota Hockey ACE Coordinator
