### Social Media

SHSAA is looking to compile a database of schools' social media feeds. If your school uses social media, please consider sending us your handle for Facebook/Instagram/Twitter.

### Thank You

Although SHSAA was unable to provide the activities, championships, and experiences that have been essential in school sport over the past 73 years, the Association has continued to advocate for the important role that educational athletics plays for Saskatchewan students. We look forward to better opportunities and new experiences in the upcoming school year.

Thank you to those who have found a way to offer a school sport experience to their students during the 2020-21 school year.

Thank you to those who have kept school sport in their discussions and planning in what has been an incredibly difficult year for our students and those in the education sector.

Thank you to those who continue to plan and prepare so we are ready when the opportunity arises for school sport to once again be a key contributor in the school community and student education.

Thank you to SHSAA funders that have been able to continue their support in these difficult times: Sask Milk Marketing Board, Sask Lotteries, Sask Tel, and Heritage Canada.
