

Shakopee Mat Club

~ Tournament Conduct ~

The Shakopee Mat Club is a team oriented organization. As such, members are expected to follow the rules and standards set forth by the board members and coaches.

Good sportsmanship is a requirement for all parents and participants.

Pursuant toward building and maintaining a team mentality, wrestlers are required to wear the Shakopee singlet and uniform or T-shirt at all tournaments except those specifically designated as not being sanctioned by the club. Aside from being a customary practice, this also serves to assist the Shakopee Mat Club coaches, parents and fans in locating Shakopee wrestlers on the mats of a crowded gymnasium. For Freestyle and Greco-Roman competition, a blue or red singlet may be substituted for the Shakopee singlet if mandated by tournament rules.

As well, Shakopee Mat club wrestlers will represent the Shakopee Mat Club at all tournaments except those that are deemed as exceptions by the Board and Coaching staff. Special consideration and allowances may be granted in particular cases and will be decided, collectively, by the board and coaching staff.
