This year we also grew the ADM team thanks to the support of Minnesota Hockey we now have a team of 11 coaches that have been trained in the principles of ADM and are willing to do clinics within your district or at the association level. The members of this team are Guy Gosselin USA Hockey Regional Director, Mike MacMillan USA Hockey National Coach in Chief, Dave Margeneau, Robert Driver, Andrew Shriver, Wes Bolin, Jim Rooney, Chris Lonke, Dick Emahiser, Scott Macho, Mike Taylor, Roger Mishcke, Rick Lowe. They also helped conduct Try Hockey for Free at the Excel Energy center where we had 45 kids from mainly D1 come to a great time with Nordy and you're ADM Staff. Today we are conducting an ADM Clinic the Oval in Roseville for the children of defending the Blue we will make it a big day for those young players.

This season you provided financial assistance for the purchase of ADM Equipment to 12 districts within the State of Hockey and as of this date we have delivered all but two sets and I would bet that those communities that received these bumpers and mini nets are very great full.

Although the season is half over we still have a lot to do and I ask you all if there is something that one of my team can do please let me know. We will be there to support, to train coaches, develop players. Whatever we can do, please let me know.

Sincerely,

Terry Evavold
