Course Description

5K Course is :

1 mile from Lerner Theater straight down Main Street to Wellfield Gardens

Two laps around Wellfield Gardens (1/2 mile each) = Mile 2+

Last mile + is returning straight back on Main to the Lerner

Finish line area/refreshments in Spahn parking Lot

Runners go against traffic on way down, with traffic on return on west side of the street.

1 Mile + course is straight down Main Street on sidewalk, right at McDonalds light, over bridge towards the YMCA, right turn on Riverwalk path, stay on path under Jackson Street, continue along the river past the sculptures, then turn right over the bridge back to Central Park and back to the Lerner!

Parking

Main Street will be blocked off for the race in front of the Lerner Theatre so you want to park in the huge, free lot off of Central plaza just across the street.

Shirts

We still have plenty of shirts in all sizes, Run, walk, jog- this is a great way to start your spring and keep your fitness program going!

Benefit

This race is a benefit for Premier Arts, the theater company behind amazing productions at the Lerner! If you haven't already checked out a Premier Arts production, we encourage you to! Profits will be used to rent scripts, props, materials for set design, lighting, etc.
