Players should attend both scheduled sessions to be eligible for selection, unless specific prior acceptable arrangements have been made through the Travel Director, on a reasonable exception basis. Exceptions to this rule for specific excused absences will be granted on only a very limited basis. Request for exceptions must be made in writing prior to the tryout session. Any unexpected emergencies that would prevent a player from attending a tryout must be communicated to the Travel Director as soon as possible. A player, who does not attend tryouts or receive approval to miss tryouts for a given team, will not be rostered by that team at any time during the season without prior approval of the FWYH Board of Directors.
