

Colin Campbell | Senior Executive Vice President of Hockey Operations

November 29, 2011

Mr. Jamie Gibson
President
Facility Operations Managers Association
c/o Washington Capitals
Verizon Center
601 F. Street NW
Washington, DC
20004

Dear Jamie:

Please be advised that the NHL Hockey Operations Department recognizes the importance of FOMA and the consistency and standardization the group brings to our building operations.

At the recent General Managers' Meeting held in Toronto on November 15th, 2011, we informed the GMs' that we fully endorse your Association and encourage mandatory attendance at the Facility Operations Managers' Annual Meetings. We feel the sharing of information at the Annual Meeting has been very positive in improving building conditions.

Please feel free in the future to contact me regarding any questions you or a member of FOMA may have.

Sincerely,

A handwritten signature in black ink that reads "Colin Campbell".

Colin Campbell,
Senior Executive Vice President
of Hockey Operations
