## THIS IS USA HOCKEY

USA Hockey, Inc., provides the foundation for the sport of ice hockey in America; helps young people become leaders, even Olympic heroes; and connects the game at every level while promoting a lifelong love of the sport.

USA Hockey's primary emphasis is on the support and development of grassroots hockey programs. In January 2009, the organization launched the American Development Model, which - for the first time ever - provides associations nationwide with a blueprint for optimal athlete development. Always a leader in safety, USA Hockey furthered the enhancement of those efforts by advancing the USA Hockey SafeSport Program in June 2012.

While youth hockey is a main focus, USA Hockey also has vibrant junior and adult hockey programs that provide opportunities for players of all ability levels. The organization also supports a growing disabled hockey program.

Beyond serving those who play the game at the amateur level, USA Hockey has certification programs for coaches and officials to ensure education standards are met that coincide with the level of play. In September 2011, USA Hockey became the first youth sports organization in the U.S. to offer its coaches online, age-specific coaching education modules. Furthermore, a large focus is put on parent education with equipment needs, rules of the game and parental roles in youth sports among common topics.

Members of the organization are entitled to many benefits, including a subscription to *USA Hockey Magazine*, the most widely circulated hockey publication in the world; excess accident, general liability and catastrophic insurance coverage; access to USAHockey.com; and opportunities to participate in USA Hockey National Championships, as well as player development camps.

As the National Governing Body for the sport of ice hockey in the United States, USA Hockey is the official representative to the United States Olympic Committee and the International Ice Hockey Federation. In this role, USA Hockey is responsible for organizing and training men's and women's teams for international tournaments, including IIHF World Championships and the Olympic and Paralympic Winter Games. Closer to home, USA Hockey works closely with the National Hockey League and the National Collegiate Athletic Association on matters of mutual interest.

USA Hockey is divided into 12 geographical districts throughout the United States. Each district has a registrar to register teams; a referee-in-chief to register officials and organize clinics; a coach-in-chief to administer education programs for coaches; a risk manager to oversee liability and safety programs; and a skill development program administrator to facilitate learn-to-play programs for youth players and their parents.

# THE BRENDAN BURKE INTERNSHIP

*BrendanBurkeInternship.com*

The Brendan Burke Internship was established by USA Hockey and is intended for a recent college graduate interested in pursuing hockey operations as a career. The internship was founded in memory of the late Brendan Burke, who served as a student assistant for the Miami University men's ice hockey team and was the son of Brian Burke, general manager of the 2010 U.S. Olympic Men's Ice Hockey Team and the National Hockey League's Toronto Maple Leafs.

Brendan passed away unexpectedly on Feb. 5, 2010. A senior at Miami, he was returning from a visit to Michigan State University's law school to perform his team video and statistics duties for the RedHawks' weekend series against Lake Superior State University. Snowy and icy road conditions in Indiana led to a car accident that took Brendan's life at the age of 21.

A political science major and French minor at Miami, Brendan is survived by his father and stepmother, Brian and Jennifer; his mother, Kerry Burke; sister and brother-in-law, Katie and Jared Porter; brother, Patrick Burke; and sisters, Molly, Mairin and Fiona "Gracie" Burke.

Our family is thrilled to have this internship founded in Brendan's name at USA Hockey. It will forever preserve his memory and provide an opportunity each year for a young person interested in pursuing a career in hockey to gain invaluable experience through our nation's national governing body for the sport."

**CANDIDACY** – The Brendan Burke Internship is a unique professional growth opportunity that will be awarded to a recent college graduate who is pursuing a career in hockey operations. Successful candidates will have gained substantial experience in hockey during their collegiate career. Preference will be given to those candidates who have earned an undergraduate degree in business administration, sports management, or a related field. Applicants should represent the high ideals characterized by Brendan in both the personal and professional aspects of life.

**INTERNSHIP TERM** – The term of the internship 10 months, beginning August 15 and concluding June 15.

**STIPEND** – A monthly stipend will be provided.

**RESPONSIBILITIES** – Based in the Hockey Operations Department at USA Hockey's National Team Development Program in Ann Arbor, Mich., the position calls for assistance in all aspects of hockey operations with the NTDP, which includes both the U.S. National Under-17 and U.S. National Under-18 Teams. In addition, the selected candidate will gain experience with international events, the American Development Model and Coaching Education Program.

**SELECTION PROCESS** – The recipient of The Brendan Burke Internship will be chosen by a committee that includes representatives from the many divisions within the hockey operations department at USA Hockey.

**APPLICATION PROCESS** – Applications for The Brendan Burke Internship must be received by USA Hockey no later than Friday, May 24, 2013. Applicants should forward the completed application form, cover letter, current résumé and list of references.

Applicants must also submit a brief essay (400-500 words) in which they detail their interest in The Brendan Burke Internship and relate their personal and professional characteristics to those that were reflective of Brendan, including being dedicated, ambitious and passionate about hockey.

It is anticipated that the successful candidate will be notified in late June. For more information, please visit [BrendanBurkeInternship.com](http://BrendanBurkeInternship.com).
