Request to Join CYA Travel Soccer

Purpose

To define the process that CYA Soccer will use to approve a request by an existing, non-CYA team to transfer to CYA Soccer.

Procedure

Existing teams affiliated with another club that are interested in joining CYA Travel Soccer, or if a non-travel (recreational) team is interested in joining CYA Travel Soccer, the following procedures will be employed to evaluate these teams to make a determination on their suitability to join CYA Travel Soccer.

Evaluation Phases and Steps

1. Application: The coach of the interested team shall submit a Request to Transfer form (see attached) to the CYA Soccer Chair and the CYA Travel Coordinator, formally notifying CYA of their desire to transfer their team to CYA Soccer. CYA Soccer will acknowledge receipt of the request.
2. Administrative evaluation. Upon receipt, CYA Soccer will begin the administrative evaluation, which includes informing the team of their administrative responsibilities, fee structure, uniform requirements, and other policies. If the team accepts these requirements, and if a decision is made to further evaluate the team, a technical evaluation will be performed.
3. Technical evaluation. The team will next be evaluated by the CYA Technical Director. This is to ensure that the coach and team are in alignment with CYA's coaching and training philosophy, and that we understand the level of the team and the number of players transferring. If, after the technical evaluation, a decision is made to move forward and transfer to CYA, the team can then begin the formal transfer process.
4. Transfer Process. If the team receives both administrative and technical approval, the team, working with CYA, VYSA, and the appropriate league (NCSL, WAGS, ODSL, etc.), will formally request a transfer and must complete the appropriate transfer process.

Evaluation Criteria

To be permitted to transfer a team into CYA Soccer, the following transfer criteria must be met. There may be other criteria depending on the particular situation and the team that wishes to transfer.

1. CYA Soccer must have room at the requested age group for the team.
2. All coaches from the requesting team must be in good standing with their current club.
3. All players from the requesting team must be in good standing with their current club.
4. All coaches from the requesting team must be currently registered with KidSafe and have successfully passed recent background checks.
