The Grid Iron Golf Classic has been in existence since 1991. Many dollars have been raised to benefit the Blacksburg High School Football program. The Tournament was converted to the Paul Bowyer Memorial Gridiron Golf Classic in 2005 after the tragic death of Coach Paul Bowyer. Coach Bowyer played in and organized the golf event for the Football team every year. He was an assistant coach for the Blacksburg High School Football team for 29 years. All of the Coaches and Players wanted a way to help remember Coach Bowyer and what he had done for all of the young football athletes that have come through the Blacksburg High School Football Program.
