- 3. The vehicle transporting students is insured by a policy providing the minimum acceptable limits of liability of \$100,000/300,000 (including uninsured/underinsured motorist coverage).
4. To the best of my knowledge, the vehicle I am driving is in safe operating condition. I have inspected the brakes, lights, tires, turn signals and other safety equipment on the car and have found them to be in satisfactory condition. The condition of windows and mirrors allows adequate visibility. There is a working seat belt for every passenger.

Under Wisconsin law, insurance on your vehicle is primary. If involved in an accident, your liability limits must be exhausted before coverage is involved. If any change occurs in the numbers 1 - 4 above, you must agree to cease driving as a volunteer or immediately inform the principal/administrator. Your willingness to drive our school district students is greatly appreciated. Thank you for completing this form.
