

YOUTH RULES AND REGULATIONS

(YOUTH JUNIOR GOLD AND YOUNGER – GIRLS 19&UNDER AND YOUNGER)

Includes Revisions as of June 2019

For the purposes of these rules and regulations:

- Youth Midget and Youth 16&Under (Jr Gold 16) classifications follow all provisions specified for the Youth Jr Gold classification
- Girls 19&Under and Girls 16&Under classifications follow all provisions specified for the Youth Jr Gold classification
- Girls 15&Under and Girls 14&Under classifications follows all provisions specified for the Youth Bantam classification
- Girls 12&Under classification follows all provisions specified for the Youth Peewee classification
- Girls 10&Under classification follows all provisions specified for the Youth Squirt classification
- Girls 8&Under classification follows all provisions specified for the Youth Mite classification.

Youth and Girls teams playing at the same competitive level (A, B, C, House) are considered to be equal competitive levels, and these like competitive playing levels shall receive equal treatment.

MH strongly recommends that association rules and/or district league rules reflect the written reason for any different treatment between Youth and Girls teams of similar competitive playing levels. These rules should be based on fact (not opinion) and reflect reasons why teams are treated differently. This includes any voluntary waiver of equitable treatment by the affected team or teams.

I. TEAM REGISTRATION

- A. **TEAM ROSTERS:** A USAH Roster Form must be completed for each team and submitted along with proof of date of birth, proof of legal residency for non-US citizens and other required documentation (refer to paragraph entitled Credentials hereinafter) to the USAH Registrar or designee for approval. Players on teams categorized as "Recreational" are exempt from submitting proof of date of birth or proof of legal residency for non-US citizens. Documentation may be required by the Director, Registrar or local association on an exception basis where citizenship, gender or age is questioned.
- B. The MH season begins Sept. 1 and ends at the completion of all youth/girls state tournaments.
- C. Teams formed for post-season play, regardless of age classification, cannot be registered or sanctioned prior to completion of the MH regular season. Players shall not be contacted regarding participation on such teams during MH-sanctioned activities. Any individual(s) violating this rule shall not be allowed to coach or manage a MH registered team for a period of one year.

II. REGISTRATION

- A. The USA Hockey and MH Player Registration fees and dates shall be set on an annual basis by USAH and the MH Board. The fees and dates are published on the inside front cover of the MH Handbook.
- B. No Player shall be registered with two or more MH/USA Hockey teams at the same time regardless of league division or classification, except:
1. Players on house teams may play with both their house team and an association traveling team.
 2. Players on Minnesota Hockey Tier 1 (pre-post season) National Championship eligible teams may also be registered with a team which is not National Championship eligible.
 3. Special Events approved by the MH Board. Such events must be on the Winter Meeting agenda at the latest, according to the Bylaw requirements for putting items on the agenda, and are subject to requirements imposed by MH. Approval of Special Events shall be by 2/3 vote.
- C. **HOUSE LEAGUES:** Where a league exists within an association, a team representing the association may be formed of players from any of the league teams providing ALL the teams are properly registered as house teams by the proper dates, and the twenty (20) player squad to represent the association in district tournament play is declared by the player registration date of December 31st.
- D. **COMMITMENT TO TEAM:** Players are expected to participate in all team activities (practices, games, tournaments, etc). An allowance for an "excused absence" upon notice that is reasonable under the circumstances may be established by teams and associations. However, an unexcused absence is grounds for consequence to a player, as determined by the team or association, up to and including suspension. A team or association rule and/or policy as to "excused absences" or as to consequences for unexcused absences must be reasonable and may not be implemented in a manner that discriminates between player participation in one outside program versus another.

III. CITIZENSHIP AND AGE REGULATIONS

- A. Youth Junior Gold and younger, and Girl's 19 & Under and younger - Restricted to US citizens only, and limited to amateurs. The Classifications and their respective cutoff dates as established by the MH Board of Directors are published on the inside front cover of the MH Handbook.
- B. Players in the Junior Gold, Midget and 16&Under Classifications must be enrolled in high school during the current season. Players on Girls 19&Under teams are not required to be attending high school.
- C. *Exception:* Non-United States citizens that are legal residents of the United States as evidenced by such documentation as a non-expired Resident Alien card, a non-expired Visa of the Type/Class that allows for residency, or who are resident students from outside the United States, are eligible to compete.
- D. **AGE CLASSIFICATIONS:** Teams are to be formed observing the established age classifications, with players following the age range established for each classification.
1. Each association shall have a policy on whether players are allowed to "play up" to the next classification and conditions that apply. These policies must accommodate players with July/August birthdates so they can "peer up" and participate with their classmates if they desire, unless determined otherwise by the District Director.
 2. Players approved to play down, per the USAH Registrar's policy, must participate at the lowest division the association offers.
 3. Players waived to another association are not allowed to play up unless approved by both association presidents and the cognizant District Director(s).

4. Two-thirds (2/3) of the players on teams at the Squirt level and above must be within the age classification in which the team is registered. Exception: In case of low player numbers, players from multiple age groups may be combined on a single team, with the approval of the cognizant District Director and the USA Hockey Minnesota District Registrar.
- E. **AGE CERTIFICATION:** Government issued (state/county) birth certificate or passport must be presented for all players for inspection by the proper authority at the time a player registers (except as provided in para. I-A herein) unless the player is already on the age/citizenship verification list provided by USAH.

IV. PARTICIPATION

A. **PARTICIPATION POLICY:** MH is a community-based amateur hockey program. Members in good standing are to participate on teams from their local association (local affiliate) based on the residence of their parent(s) or legal guardian(s). The **exclusive** boundaries of the geographical area served by each local association are determined by MH and recorded in the Affiliate Agree-ments. In some circumstances, players may participate in another association by requesting a formal waiver from this policy.

B. PARTICIPATION RULE

1. Players must register and participate with the association whose boundaries incorporate the player's residence. To participate on any other association's team, the player must obtain a waiver.
 - a. All waiver requests must be submitted on a current Waiver Form provided by MH.
 - b. Indicate the reason for the request on the Waiver Form (school attendance, play on travel team, co-op team, etc.).
 - c. The releasing and receiving associations may add conditions or restrictions to the waiver. Conditions must be indicated on the Waiver Form and initialed by all parties executing the waiver.
 - d. The releasing and receiving association presidents must both sign Waiver Forms; then submit to the District (both Districts if two are involved). District Director approval is required on discretionary waivers, but is optional or as required by the District Director on mandatory waivers.
 - e. Non-Minnesota residents desiring to play for MH must follow the Inter-Affiliate Transfer Protocol.

2. DEFINITIONS:

Residence - the legal dwelling of the player's parent(s) or court-appointed legal guardian(s) having custody of the player as substantiated by sufficient evidence to establish the location of the legal dwelling such as a valid driver's license, lease, property tax bill, utility bills or other persuasive evidence as to where the player lives. A pending relocation is not considered to be the player's residence **until** the parent(s) or legal guardian(s) have completed the purchase or executed a lease and moved into the new residence. For foreign exchange students, the place the player resides while in the USA shall be considered the player's residence. Players moving after tryouts begin can be assigned to teams on a space-available basis.

Association of Residence - the association whose boundaries include the player's residence.

Association of School Attendance - the association whose boundaries include the location of the school the player attends.

Note: A player attending a public school that encompasses the boundaries of more than one youth hockey association has the following options:

- Participate in his/her Association of Residence
- If the player doesn't live within the boundaries of the associations the school feeds, the player may pick one of the associations as his/her Association of School Attendance on a one-time-choice basis.

Home Association - either the Association of Residence, or the Association of School Attendance to which a player has been properly waived and continues to attend school.

School - the primary educational provider of the student to achieve progress towards a high school diploma, the equivalent of a high school diploma, or any post high school degree. If the provider does not instruct the student at a physical facility, the location of the school shall be the student's primary residence. High school students taking post high school classes shall not be deemed to be attending school at the post high school provider's location.

Mandatory Waiver - neither the releasing nor the accepting association can decline to approve a school attendance waiver that meets the requirements as described below.

Discretionary Waiver - an agreement between associations to transfer a player for reasons as agreed to by the affected associations and District Director(s). Any of the approving parties have the authority to reject such a waiver.

3. A Mandatory Waiver shall be granted to any player in good standing, without conditions except as described below, who wishes to participate in the MH association whose boundaries incorporate the school in which the player is enrolled and is attending, as follows:
 - a. For schools with multiple sites the "main" campus shall prevail unless agreed otherwise by the affected District Director(s).
 - b. Players waived based on school choice shall be deemed to be members of their Association of School Attendance and shall have full rights and privileges accorded to all members of that association, including voting rights. (Exception – see "Changing Schools" below.)
 - c. Players receiving a waiver based on school attendance shall register with their Association of School Attendance for as long as they continue to attend that school (including the first year). If they stop attending school in that association's area, they revert back to their Association of Residence for participation or waiver.
4. Players waived for non-school attendance reasons are subject to the receiving assn's policies in accordance with MH governing documents (may not be eligible for highest team, may be assigned to lowest team, etc.). They shall remain members of their Home Association, not the assn. they were waived to, with full rights and privileges accorded to all assn. members including voting rights.
5. **CHANGING SCHOOLS:**
 - a. Players not living in the attendance area of the school they attend shall elect one of the following:
 1. Have full eligibility to compete at any division in their Association of Residence; or
 2. Be eligible at all except the highest division in their Association of School Attendance for one year beginning with the first day of attendance in the new school, with full eligibility thereafter.

Exception: Players enrolling in 9th Grade for the first time are immediately eligible to compete at any division in their Association of School Attendance.

- b. Players who have participated in their Association of School Attendance and desire to return to their Association of Residence without a related change of school shall elect one of the following:
 1. Have full eligibility to compete at any division with their Association of School Attendance for one (1) year beginning with the first day that they notify in writing both involved associations of their intent to return to their Association of Residence; or
 2. Be eligible at all except the highest division in their Association of Residence for one (1) year beginning with the first day that they notify in writing both involved associations of their intent to return to their Association of Residence.
- c. For purposes of this rule, a team that is eligible to participate in "AA" level playoffs at the end of the season will be considered a higher division than a team within the same association that is eligible to participate in "A" level playoffs.
- d. Submit unusual circumstances to the District Director Committee for a decision.
6. A waiver must be obtained before a player can participate outside of their Home Association. During a season, a player that registers or participates with one assn. can't participate with any other assn. without a waiver. Trying out in an assn. is considered participation. A player that participates without a necessary waiver is considered an ineligible player. Refer to the Section entitled Eligibility Provisions.
7. Players denied a waiver or given a waiver with conditions by their Home Association may appeal in writing to the Home Association's District Director Committee. The Committee's decision is final.
8. District Director Committee: In cases indicated above where decisions are to be made by a District Director Committee, the District Director shall appoint two other persons beside themselves as the designated committee, one of which will be either the Maroon or Gold Vice President. This is to hear appeals pursuant to USAH Bylaw 10 E (1) (b).
9. Players having dual citizenship, one being the United States, must conform to this participation rule.

V. ELIGIBILITY PROVISIONS

- A. Any team found to have an ineligible player that participates in any MH sanctioned game, exhibition game or controlled scrimmage will be suspended from MH District, Region and State Tournament play for the current season. The head coach of a team that knowingly plays an ineligible player shall, as a minimum, be suspended from coaching for the remainder of the season. These suspensions may be reviewed by the cognizant District Director to determine if the severity of the suspension is appropriate and a less severe penalty may be imposed if the facts so dictate.
- B. Any high school player who participates with their high school hockey team after December 31st is not eligible for MH teams for the balance of the playing season. Refer to the Minnesota State High School League rules for future High School eligibility.
- C. In the Junior Gold and 16 & Under classification a player must have played 5 games before January 25th in order to be eligible for participation in District, Region and State playoffs.

VI. TEAM COMPOSITION

- A. Up to twenty players can be rostered on a team. A maximum of twenty players can dress for a game, with a maximum of eighteen of those players dressed as skaters.

Exception: If a player(s) would be denied opportunity to participate, teams may roster over twenty players to a maximum of twenty-three with approval of the District Director and the USAH Minnesota District Registrar. Such rosters will be approved only at the lowest competitive level the association offers. A maximum of eighteen skaters and total of twenty players may dress for each game. Rostered players in excess of the dressed limit are not allowed on the players bench. Further, such rosters must be reduced to a final set of twenty players for District, Region, State and National tournaments if the team is participating at a level in which MH teams compete in USAH National Tournaments.
- B. All teams shall roster at least one adult coach. A rostered coach must be present at all team events.
- C. It is recommended that each team in state and region tournaments dress two goalies. If the team doesn't have two goalies, an Emergency Backup Goalie (E-BUG) may be chosen from a team in its league or association, and such an E-BUG may be chosen from the same or a lower but not higher playing division.
 1. Failing the above, an E-BUG may be chosen from within the team's district or finally from the vicinity in which the tournament is being played.
 2. The E-BUG may play ONLY in case the regular goalie is unable to play, as determined by the tournament host District Director or Tournament Director.
 3. The E-BUG shall wear the light or dark jersey of the in-season team on which they are rostered.
 4. The E-BUG retains their eligibility with their parent team or organization at their original classification for the balance of the playing season whether or not they actually play as an E-BUG.
 5. The E-BUG must be properly registered on a MH team for the current season to be eligible to participate in a region or state tournament. Proof of registration, such as a copy of their parent team's registration roster will be required during tournament check-in. NOTE: the objective of the rule is to allow a team to obtain a back-up goalkeeper during region and state MH play. The rule is not intended to permit teams to improve their goaltending by drafting an additional player.
 6. The releasing/receiving District Director(s) must approve, using the MH E-BUG Goalie Form.
- D. If a team carries only one goalie on its roster and that goalie is not available for region or state tournament play, a REPLACEMENT goalie may be chosen from a team in its league or association. Such a "replacement" goalie may be chosen from the same or a lower but not higher playing division.
 1. If a "replacement" goalie is not available from within a team's league or association, a "replacement" goalie may be chosen from among the teams in its district; or failing the above, from its region.
 2. The "replacement" goalie shall wear the jersey of the in-season team on which they are rostered.
 3. The "replacement" goalie retains eligibility with their parent team at their original classification for the balance of the playing season whether or not they actually play as a "replacement" goalie.

4. The "replacement" goalie must be properly registered on a MH team for the current season to be eligible to participate in a region or state tournament. Proof of registration, such as a copy of their parent team's registration roster will be required during tournament check-in. Note: the objective of the rule is to allow a team to obtain a back-up goalkeeper during region and state MH play. The rule is not intended to permit teams to improve their goaltending by drafting an additional player.
5. The releasing/receiving District Director(s) must approve, using the MH Replacement Goalie Form.

VII. LEVELS OF PLAY

- A. "Classifications" means Mite, Squirt, Peewee, 10&Under, 12&Under, Junior Gold, etc.
- B. "Divisions" means A, B, C, House, etc.
- C. To encourage development and expansion of hockey within the State and to provide for uniformity of competition, all youth hockey shall be divided into five competitive divisions as herein provided. Each District Director has the responsibility to maintain the integrity of each division within his/her district.
 - "A" The highest competitive division – a development program designed to enhance team and individual skills. MH will provide district, region and state tournaments at this division. Every association has the right to enter teams in the A division.
 - "B" The intermediate competitive division – also a development program, but primarily intended to provide a uniform competitive experience for smaller communities and programs that are not able to compete effectively at the A division. Every association that has an A division team shall also have the right to enter teams in the B division.
 - "C" The lowest competitive division – also serves as an entry level for new communities/programs to provide a competitive experience until they are ready to advance to a higher competitive division. There shall be no region or state tournaments at the C level. All associations that have teams in A or B divisions shall also be entitled to have teams at the C level.
 - "House" Similar to "C", but limited to an in-house program (no participation outside of the association).
 - "Recreational" Similar to "C", but limited to two activities per week (maximum) within a recreational league or organization (teams do not participate in any way outside of their recreational league or organization). No tournaments are allowed at this level, but a year-end playoff is permitted.
- D. **INTERLEVEL PLAY:** Interlevel play (games/exhibition games) is not permitted between classifications (Peewee vs Bantam, 15U vs 12U) or between divisions (A vs B, B vs C or A vs C teams), except for Jr Gold 16 vs Jr Gold B, and 15U A vs B. In special circumstances where interlevel play between divisions is appropriate, the affected District Director(s) must approve. Interlevel play is not permitted in MH sanctioned invitational or playoff tournaments, with the exception that Jr Gold 16 teams may participate in Jr Gold B invitational tournaments and 15UB teams may participate in 15UA invitational tournaments. Teams violating this provision may be declared ineligible to compete in any invitational tournaments and in MH district, region and state tournaments for the current season, and, in case of flagrant violations, for such further period of time as the district director shall deem appropriate. House league and city recreational league teams must be registered as C teams if they intend to play other teams outside of their hockey community. District Directors may permit a B or C division team from small cities or newly developed programs to play in a higher division league if there is no comparable division league available.
- E. **TEAM LEVELS:** The district director shall review and finalize the division of all teams. Associations shall submit the proposed division for each team to the district director prior to Nov. 15. The director's decision may be appealed to the Gold or Maroon Coordinator whose decision shall be final.
- F. **MITE HOCKEY:** MH strongly encourages skill development for all players. This is particularly critical at the Mite level so that players are provided with the foundation to enjoy and have success in the game.
 1. To reduce expense and promote development rather than competition, Mite teams shall participate within their home association and district only. However, the District Director(s) may allow exceptions for convenience or to maintain continuity. The District Director's decision is final.
 2. Mites are generally organized into levels based on age, skill and number of players. As a guideline, Mites should be divided into two levels: Mini-Mites (6 & Under) - the younger, beginner and less skilled players; and Mites (8 & Under) - the older, experienced, more skilled players.
 3. The focus for Mites is to teach/develop basic skills: skating, puck handling, shooting and passing. Cross-ice, half-ice and small area games are the standard of play to maximize ice utilization, increase puck touches and increase competition and fun. The American Development Model (ADM) and Minnesota Development Model (MDM) provide blueprints for player development.
 4. At the Mini-Mite (6 and Under) level – all games shall be played cross or half ice.
 5. At the Mite (8 and Under) level – the standard playing surface for all games is cross- or half-ice. Recognizing that associations may want to deviate from the standard, after December 31st up to six full-ice games are allowed with the District Director's approval. The Director's decision is final.
 6. Local hockey associations are in the best position to design programs so their players can develop and have fun. This should be based on the principles of the MDM and ADM, the number of players in their program, the skill of their players, the availability of ice and their coaching staff.
 7. Recognizing the need for flexibility and differences between associations, the District Director will monitor the standards outlined in #4 and #5 above. Abuses will result in sanctions against the association(s) at the sole discretion of the Director.
 8. MH permits cross/half ice Mite Tournaments; full ice Mite Tournaments aren't permitted. Guidelines for sanctioned Mite Cross/Half Ice Tournaments are in the Tournament Supplement. MH Mite teams can't participate in out-of-state tournaments, except cross/half ice as approved by the District Director.
 9. Jamborees may be conducted at the Mite level. A jamboree is defined as a low-key full participation event where players have an enjoyable and learning experience in a non-competitive environment. Jamborees need not be registered as tournaments, but must follow the "Team Rest" provisions as provided for under "Playing Rules". The format for a Jamboree shall be as follows:
 - a. The District Director must approve a proposed Jamboree at least thirty (30) days in advance.

- b. All teams must be from one MH District, unless approved in writing by the MH Directors involved.
 - c. Information referring to the event must state "Jamboree", not tournament.
 - d. Team fees can cover only costs for ice time, officials, medical attendants and participant awards.
 - e. There can be no gate fee. A free-will donation box will be permitted.
 - f. USA Hockey certified officials are recommended.
 - g. No score may be kept, no winners, no losers, no standings. This will generally require a predetermined round-robin format to be followed.
 - h. No statistics may be kept, such as shots, saves, goals, assists, time of possession, etc.
 - i. Participation awards, if given, shall be the same for all participants. No team awards or trophies.
- G. **SQUIRT HOCKEY:** MH strongly encourages the skill development of all players especially at the entry levels. Therefore, the following is effective for the Squirt level.
- 1. Limit number of games (league/tournament/exhibition games excluding district playoffs) to a maximum of 35 per season.
 - 2. A three to one practice to game ratio shall be supported by all associations.
 - 3. A and B squirts must be allocated an equal quality and number of ice hours.
 - 4. Coaches should strive for approximate equal playing time among all players, excepting reduced time for disciplinary reasons.
 - 5. The above policies will be monitored by each local association and district. Failure to comply will result in sanctions against the respective Association as determined by MH.
 - 6. There shall be no region or state tournaments at the Squirt level.

VIII. PLAYING RULES

The playing rules in this section apply to all games unless modified elsewhere in these rules.

- A. USA Hockey playing rules as modified by MH shall be used.
- B. The length of periods during regular season play shall be at the discretion of the individual leagues and teams in all classifications. (NOTE: For time requirements for District, Region and State tournament play, see paragraph entitled "District, Region and State Tournaments", "Playing Time" hereinafter.)
- C. Districts, leagues and invitational tournaments may reduce the duration of minor penalties from 2 minutes to 1½ minutes for games with periods of 15 minutes or less.
 - a. The Fair Play penalty-minute thresholds by level per Playing Rule Q-3 are in effect regardless of whether 2 minute or 1½ minute minor penalties are assessed.
 - b. For the purposes of Fair Play "equivalency" minutes, minor penalties will be counted as 2 minutes per playing rule Q-4, regardless of whether 2 minute or 1½ minute minor penalties are assessed.
 - c. The standard minor penalty duration of 2 minutes shall be used at MH Region/State Tournaments, and in all District Tournaments that determine teams progressing to Region/State Tournaments.
- D. No jewelry except for religious/medical needs. Tape medals to the body under the uniform so not visible. Penalty: first offense, warning. Returning to the game without correction: Game Misconduct.
- E. The penalty for fighting in the Jr. Gold and 16 & Under classifications for the first offense will be the remainder of the game and a three-game suspension. For a second violation the player will be suspended from all participation for the remainder of the season.
- F. At the Junior Gold and 16 & Under classifications, a Game Ejection may be called on any player/team official. A player/team official receiving this penalty will be removed only from the game being played.
- G. At the Junior Gold and 16 & Under classification, a Game Ejection shall be automatically assessed when a player receives a third penalty during a single game. The player shall immediately be removed from the ice and another player shall serve the penalty. Enforcing this penalty is the joint responsibility of the referees, the scorekeeper, the coach and the player.
 - 1. If it is determined during a game that a team allowed a player to continue to participate after receiving their third penalty, the game will be immediately forfeited to the other team.
 - 2. A completed game may be protested if it is suspected that a team allowed a player to continue to participate after receiving their third penalty. The protest must be filed with the proper authority within one hour for tournament games, and within 24 hrs for league games. The protesting party must provide substantiating evidence. If verified, the subject game will be forfeited.
- H. Only the players (maximum 20) and coaches (maximum 4) listed on the official USAH Roster or replacement coaches approved by the district director are allowed to be on the bench during MH sanctioned competition. Replacement coaches must be currently registered and rostered on a MH team and can use their current team roster for purposes of credential verification. In order to participate in team activities, all coaches (head and assistant) must be certified at the proper Coaching Education Program (CEP) level according to USAH requirements. Coaches of pre-season High School teams must be CEP-certified at the proper level when the team is registered or no later than two weeks before the end of their season. Managers are not allowed on the bench. All Players on the bench, including players not dressed to play, must wear a helmet/face mask and team jersey.
- I. Players or team officials suspended because of a Match penalty cannot participate in any team activities including being in the locker room or on the players' bench. Refer to USAH Rules 404(B) and 404(C).
- J. **TEAM REST:** Teams/players shall not participate in more than two on-ice activities per day, nor shall they participate in more than one tournament at a time (no overlapping days). On-ice activities include games (league, tournament, exhibition, etc.) and/or practices. There shall be a minimum of two hours between on-ice activities on the same day and ten hours between on-ice activities on consecutive days. The time is from the end of one on-ice activity to the beginning of the next. Exceptions:
 - 1. The rest-time for Mites can be reduced to 1.25 hours for on-ice activities of 60 minutes or less. For half/cross-ice activities of 45 minutes or less, up to four on-ice team activities can occur in a day, with a minimum of 45 minutes rest between activities.
 - 2. Teams may schedule practices before or after games, without the two hours of rest, at the discretion of the coach and assn.

K. CONCUSSIONS: (refer to Minnesota Statute 121A.37)

1. MH must make concussion information accessible to all coaches, officials, players and parents/ guardians, including the effects and risks of continuing to play after receiving a concussion. This includes the nature and risks of concussions associated with athletic activity, concussion symptoms, the need for urgent diagnosis and treatment when a player is suspected or observed to have received a concussion, and the need for concussed players to follow proper medical direction before returning to play. All coaches and officials must receive initial training regarding concussions, and participate in refresher training every two years thereafter. Each coach shall complete and provide a coach concussion acknowledgement form to the association prior to participating in any team activities.
 2. Coaches, officials and/or medical attendants shall and are authorized to remove a player from participating if the player exhibits concussion signs, symptoms or behaviors, or is suspected of sustaining a concussion. A player removed from participation for this reason may not again participate until they no longer exhibit concussion signs, symptoms or behaviors and a "health care provider" evaluates the player and gives the player written permission to again participate, using MH's Return To Play Form. "Health care provider" means a third-party health care professional who is registered, licensed, certified or otherwise statutorily authorized by the state to provide medical treatment, and is practicing within their training and experience to evaluate and manage pediatric concussions. No coach, team doctor, team trainer, parent, guardian or relative can execute the Return To Play Form as a health care provider.
 3. A head coach or coach in charge of any team activity who has knowledge of a player sustaining a concussion or exhibiting concussion type symptoms shall complete a Minnesota Hockey Concussion Reporting and Return to Play form relating to the injury and ensure that the form is delivered to the team manager within 48 hours of receipt of information that a player sustained a concussion or exhibited concussion type symptoms. The team manager shall provide a copy of the report to the player's parent or legal guardian, District Director and association president or other delegated representative tasked with monitoring reports under this rule. Until the completed Return to Play portion of the form is received by the team manager or coach, the coach and team manager shall ensure that the player does not participate in any team physical activities. A completed Return to Play form shall be kept by the team manager during the season and a copy provided to the USA Hockey Minnesota District Risk Manager and association president or delegated representative at the end of the year.
 4. The penalty for a knowing violation of this rule by a coach who fails to report a concussion or symptoms of a concussion, fails to timely complete and return a Minnesota Hockey Concussion Reporting and Return to Play form, or allows a player removed from team activities as a result of a concussion or who exhibited concussion type symptoms to participate in team physical activities prior to receipt of a signed medical clearance shall be as follows: for a first violation the coach shall be suspended for the next two games and any events between the two games; for a second violation the coach shall be suspended for two weeks; for a third violation the coach shall be suspended for a full calendar year.
- L. All players, including goalkeepers, are required to wear a colored (non-clear) internal mouthpiece, which covers all remaining teeth of one jaw, customarily the upper.
- M. A blaze orange "Stop Patch" must be displayed in the upper center on the back of all players' jerseys in all Youth and Girl's classifications, except Mites and Mini Mites. This octagonal patch must be a minimum of 3" high/wide and may be sewn or silk-screened on the jerseys.

N. EXHIBITION GAMES & CONTROLLED SCRIMMAGES:

1. An Exhibition Game is defined as a contest between two teams that is not held in MH sanctioned league or invitational tournament play. To be considered an exhibition game, all applicable rules of USAH and MH, including those pertaining to rest periods and the use of certified officials, must be followed. If either of the participants is subject to a maximum number of games rule, imposed by USAH, MH or the Affiliate Association governing the participant's activities, the exhibition game shall be counted towards the maximum number of games allowed.
 2. Coaches-on-Ice scrimmages or "controlled scrimmages" are allowed as a coaching tool for teaching position play and to address various game situations, subject to the following minimum criteria. All of the criteria must be met for the event to be considered a Coaches-On-Ice scrimmage.
 - a. At least one coach from each team must be on the ice for the purpose of instruction.
 - b. No official scorekeeper, timekeeper or "game clock" can be used.
 - c. Teams can switch ends at some point, if desired.
 - d. The event is conducted as a practice, with the coaches stopping play from time to time to make observations and provide instruction on player positioning, etc.

Two sets of jerseys with contrasting colors should be available. In the event that a team has only one set of jerseys available, this shall be communicated to the tournament director not less than 24 hours before the start of the tournament. The tournament director will advise the opposing teams to wear a contrasting color (the designation of Home and Away teams would be unaffected).
- H. Host associations are only required to give out a maximum of four (4) passes to team officials (coaches), and at their discretion may give an extra pass to the team manager.

 2. Method of determining a champion in round robin tournament play: The standings shall be determined on the basis of two (2) points for a win, zero (0) points for a loss, and one (1) point for a tie. (During district, region and state tournaments, regardless of format, all games will be played to a win/lose situation. There will be no ties.) If two or more teams have an equal number of points, their position in the standings shall be determined by:

 1. The points acquired in these games
 2. Subtract goals scored against from goals scored (position by greatest surplus)
 3. Divide goals scored by the goals scored against (position by greatest quotient)
 - b. If after applying the formulas of a.1, a.2, or a.3 the tie still exists, a.2 and a.3 shall be applied using all the games played by each team. When the tie involves three or more teams, their position in the standings shall be determined as follows: If one tie-breaker establishes a position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tie-breaking process again at step 3.a.1.
 - c. If the above procedure does not break the tie, the team that scored the first and fastest goal in a game will be the tie breaker. If the teams are still tied, the teams shall use a shoot out procedure. This will involve each team selecting

five (5) players who will alternate taking penalty shots. A toss of the coin will determine which team will take the first shot. If after five (5) players from both teams have completed this procedure, the tie still has not been broken, it shall be repeated with five (5) different players until the standings are determined.

- K. **ALL STARS:** No all-star team may be selected or awards given individual players in MH District, Region and State tournaments.

Teams in Region/State games shall have at least three hours rest between games on the same day. The tournament formats, including tournament dates and game times must be submitted to the Tournaments Committee Chair no later than December 31 in the year preceding the tournament. If the above requirements are not met, the Tournaments Committee Chair shall notify the cognizant Divisional Vice President within five days following the deadline. All teams entering the tournament will know in advance the game schedule and are expected to play the games when scheduled.
- Q. **CREDENTIALS:** A Credentials Committee, including an official of MH such as a District Director or his/her designee, shall check each team's credentials prior to their playing of any games in accordance with the Team Credentials Package section in the Handbook. - B. An Association and/or a MH District may conduct special events as authorized by the District Director, provided that only teams from within that district participate. In special circumstances, the involved District Directors can approve participation by neighboring associations outside of the District. Special events must follow all rules for sanctioning invitational tournaments except that there is no sanction fee and these events are not subject to the February 1st sanctioning deadline. Any event involving three or more teams, excluding regularly scheduled league games, is considered to be an invitational tournament, unless the teams are all from the same district and/or the event has been authorized as a special event.
- C. The conditions for sanctioning invitational tournaments are as follows:
 1. All teams participating must be registered with USA Hockey or another International Ice Hockey Federation (IIHF) affiliate such as the Canadian Amateur Hockey Association (CAHA).
 2. Guaranteed Gate tournaments are allowed, with the understanding that the single team payment includes all tournament entry and spectator admission fees with no additional charges.
 3. Invitational tournaments of the same age group and division cannot be held on the same weekend within a 50 mile radius of a MH state tournament. If more than one ice sheet is available at an arena complex, no invitational tournament may be held at that arena complex on the same weekend that a MH Region or State Tournament is being held.  - a. Completed tournament application on the official MH sanction application form
 - b. Copy of proposed tournament rules, including tournament entry fee information

 10. **LATE APPLICATIONS:** The MH tournament sanction fee for applications received less than twenty-one (21) days prior to the scheduled first day of the tournament will be \$200 for each level. Additionally, sanction applications received less than ten days prior to the start of a proposed tournament are subject to outright rejection or a fine of up to \$500 (in addition to the \$200 per level fee), as determined by the MH Tournaments Committee Chair.
 11. Modifications to approved applications (changes in tournament rules, ice times, bracketing, teams participating) must be sub-mitted for review and approval by the MH Tournaments Committee Chair at least ten days prior to the start of the tournament.
 12. The completed and approved sanction form and accompanying materials (tournament rules and bracketing) serve as a contract between the sponsoring affiliate and MH/USAH as to how the tournament will be conducted. Un-approved

changes to this contract (such as changing brackets, game time, or rule substitutions) will be considered a sanction violation, subject to penalties defined below.

13. Invitational Tournament hosts shall respond within ten business days of the receipt of any application and inform the applicant whether the application is accepted, incomplete, declined or wait listed. Responses shall include the following:
- If incomplete, identify the reason it is deemed incomplete and the date by which any deficiencies are to be corrected.

14. In the event of a tournament cancellation, notify the District Director or Tournament Coordinator for the district in writing no less than ten days before the start date of the tournament. USAH fees and late fees will not be returned. The host may request a refund of MH tournament fees from the MH Tournaments Committee Chair, in writing, no later than 30 days after the start date of the tournament.

- For the first offense, the association will not be allowed to host invitational tournaments at the division/classification (Bantam A, Pee wee B, etc.) at which the violation occurred for the balance of the current season and the following season. Monetary fines may also be assessed.
 - For the second offense within a three year period, the association will not be allowed to host or participate in invitational tournaments and MH playoffs at any level for the balance of the current season and the following season. Monetary fines may also be assessed.
 - In the event that the violation is considered a minor or inadvertent error, a penalty may be reduced at the discretion of the Tournaments Committee Chair and the cognizant District Director.
 - Penalized Associations may not have another association host tournaments at their sites.
- Evaluation of circumstances and assessment of penalties shall be the joint responsibility of the District Director and the Tournaments Committee Chair. The Tournaments Committee shall decide disputes regarding penalties to be assessed. Committee decisions shall be considered a "decision of MH". (Bylaws Article 7, Board of Directors, District Directors Duties)
16. Teams participating in unsanctioned tournaments will be subject to disciplinary action by the District for the balance of that season and the following season, up to and including suspension from MH activities.

- No team traveling more than fifty miles, one way, from the tournament site shall be required to play a game that starts prior to 6:00 PM on a school day, unless the team indicates their willingness to do so, in writing, on their invitational tournament entry form (e-mail acceptable), and the host team plays in the same or an earlier game on the same day.

- Minnesota Hockey affiliates who authorize others within their affiliate to conduct sanctioned tournaments shall be responsible for compliance with this rule.
