

2019/2020 – IHS BASEBALL BANNER INFORMATION

Thank you for assisting with the Irvine High School Baseball banner program. This sponsorship program provides your business or group a visible way to show support for our baseball program.

Our banners are hung on the back wall fence of our field. We also have limited opportunities for smaller banners within the public area or Irvine Baseball Stadium.

The wall banners are up to 4'x10' and are on display 11 months of the year. Smaller banners are 4'x6'. They're only taken down for field maintenance and cleaning. The baseball field is used throughout the year by other organizations so advertising goes beyond the high school baseball season!

The price for new banners fees cover costs of creating the banner. Remaining proceeds and renewals provide player credit to their fundraising goal and money to the program.

Tips For A Great Banner

Limited Information (logo and business name, phone number or website). The banners are up to 400 ft. from the fans. Big bold lettering is best to make your message stand out. We can show you samples.
