Supporting All Arena Activities

MAHA invites you to support all activities at the Arena and the new practice rink at Marshall Middle School through our advertising opportunities!

You can choose from small or large billboards, restroom posters, right in the arena or look into our new website ad spots.

What a better way to support than by advertising! It helps us in so many ways and gives you a great form of visibility.

We get a lot of traffic at the arena throughout the year. There is hockey most of the year with hundreds of people at each weekend games and up to a thousand for tournaments and varsity games. It brings in many out-of-town people that stay in Marshall for the night or full weekends. We are always trying to have more tournaments each year. In the off season, we have soccer, lacrosse and roller hockey. We also have a few special events held in the arena from other organizations. Our biggest single event is the annual Figure Skating show at the end of the year, don't miss it! They work hard all year to give us their best.

We hope you choose to support MAHA through advertising or other means and thank you so much for all your past support through the years! A lot of joy has come to many children, youth, young adults, many parents and grandparents and relatives from the joys and challenges of ice sports.

Thanks from all of us at MAHA!
