Dear Thomas,

The indoor season will be starting soon and we are looking forward to seeing our teams play. Thank you to all that have volunteered their time during tournaments, German Fest, fundraisers and more. We couldn't do it without you!

Some highlights in the past month:

We had a great time hosting the U14 Hamburg Soccer Federation ending with a great game against the Chicago Fire. A new program was created called the Schwaben AC Juggle Club. This is a fun and great way for the players to set and achieve juggling goals.

We are including the Schwaben Annual Report for 2013 for you to read and learn more about the club and reflect on the events and activities of the Club during the year.

A reminder that all current Schwaben A.C. players receive a \$30 discount for the Hansa Winter Skill Academy. Information and voucher code is at the bottom of the newsletter.

We wish everyone a good rest of the fall season and good start to the indoor season!

From Nov 16th -17th, Coaches Kaylee, Nina, Chris, Eric and Dariusz will attend the Coerver Youth Diploma Course.

## Partners

while learning to follow through with good work habits in order to reach the next level of juggling.

Players that complete a level of juggling either in front of their coach or via a video submitted to their coach will receive a ribbon of achievement.

## Schwaben Annual Report 2013

Summarizing 2013, members of the Schwaben AC can be proud of our accomplishments in 2013 on the field of soccer and as an organization. We were active on and off the field, and our members always responded if called upon. We have great leadership in the Youth Program with Director of Coaching Thomas Gansauge at the helm. The Board is strong on support, never just rubber-stamping issues but discussing and solving our various problems in the organization. We will surely have challenges and problems next year and in future years, but together with the membership we will succeed and thrive.

President
