## OMHA GOLF CLASSIC - HOLE SPONSORSHIP

Is there anything better than eighteen holes of quality golf with friends, colleagues and family in support of making a child's dream to play hockey come true? We do not think so.

The Sixteenth Annual OMHA Golf Classic will be at Wooden Sticks Golf Club. Wooden Sticks offers the ultimate golfing experience not currently found anywhere in the Ontario golf market. The course has brought together some of the most recognizable golf landscapes from the PGA and sculpted them into the spectacular scenery of the local area to produce 18 remarkable holes. Play golf holes inspired by Augusta, St. Andrews, Pine Valley, Carnoustie, TPC Sawgrass (famous par - 3 island green) and Oakmont.

Proceeds from this event continue to go towards the Minor Hockey Foundation - Ontario. For information on the foundation visit their website at [www.hockeyfoundation.ca](http://www.hockeyfoundation.ca).

With your hole sponsorship you will receive a 24"x18" sign that will be displayed at your respective hole.
