

## **NORTHFIELD SOCCER ASSOCIATION**

### **Spring Creek Soccer Complex Field Use Policy**

The Northfield Soccer Association (NSA) pays for all maintenance and improvements, lawn care, field lining, goals, nets and other equipment at the Spring Creek Complex. As of April 1, 2014, the NSA will be implementing a reservation and fee policy for the use of the fields at the facility.

- All teams playing for the NSA shall have first priority for use of the fields. Scheduled games will have priority over practice sessions.
- All other organizations will be responsible for obtaining permission for field use and will be charged for that use.
- Use request and scheduling will be made through the NSA Field Coordinator. All use requests must be submitted with the dates and times that the fields wish to be used so they can be added to the calendar and appropriate fees billed.
- Field rental costs will be calculated yearly and made available upon request from the NSA Field Coordinator. The NSA reserves the right to negotiate fees for specific organizations, i.e. Northfield Schools, Northfield Adult Leagues and Colleges.
- Teams and individuals found in violation may be asked to leave the facility and/or billed.
- All users of the complex are asked to pick up all waste and deposit in trash containers at the complex or will be assessed a clean up fee of \$100.00.
- The field coordinator will determine the closing of the complex due to weather, with review by the NSA board.
