

# Gorham Youth Lacrosse Association

## *2019 Sponsorship Request Form*

Lacrosse is an expensive sport and that last thing that we want to see as an organization is a kid that decides not to play because their family cannot afford to do so. Every year, we have families that are experiencing economic hardship and cannot afford for their son or daughter to participate. Each scholarship request is unique and will be handled accordingly with privacy. Beyond scholarships, we also have additional expenses that are necessary to maintain and upgrade our field and coaching equipment from year to year. As a result of these needs, our organization is reaching out to local businesses in and around our community for financial support. In return we offer to promote your business on the home page of our website as well as our official sponsors page and throughout our Gorham Lacrosse Community. Typically, it costs about \$385.00 for a boy player and about \$250.00 for a girl player to register and purchase equipment to play lacrosse so that is the amount that we generally request, however, no donation is too small. We would like to respectfully request that you and your business consider being one of our official sponsors for this season. If you can do so, please either fill out this form and mail or email it to our president, Shawn Gaudreau, directly with this information so we can coordinate our efforts to support our organization.

**Mailing Address:** Gorham Youth Lacrosse Association PO Box 774 Gorham, Maine 04038
