Collections – a couple of options this month.  
Didn't have enough tickets for all of the families. Looking at options for distribution of multiple books next year.  
Deadline is February 1<sup>st</sup> or you must be signed up to work at the Sports Show. Will be providing lists of those who haven't turned in their tickets to coaches/board to follow up on consequences – players won't be able to participate until the tickets are turned in.  
  
Committee will come up with a letter to be sent out to the membership.  
  
\$39,400 turned in so far. A lot left to turn in.
  
- Q & A

Ice Time – same age as squirts; would like to see the same amount of time.  
Last year played the squirt teams and would like to see more of that. It was really good competition.
