

Coach Bob Gaffney

Coaching Experience

USA Hockey CEP Level 4

Bob started coaching a high school JV hockey team in 1992-93, but went back to graduate school after that season. Since 2009 he has been an in-house coach at Hatfield for his sons' teams. In 2012-13, he was the Ice Dogs Pee Wee B head coach. In 2013-14, he served as an assistant coach on both the Ice Dogs Squirt B and Pee Wee B teams. In the "off-season" he has been coaching his sons' lacrosse teams as well.

Coaching Philosophy

"Herb Brooks, the head coach for the 1980 U.S. Olympic hockey team, once said, "I'll take hard work over talent any time talent doesn't want to work hard." That is one of my favorite quotes and is a good reflection of me and more core values."
