

2014-15 HIGH SCHOOL JV-D “DEVELOPMENT PLAYER” PROGRAM

The expansion of High School teams each season offers a great opportunity for new students to learn the game. As the **Anaheim Ducks High School Hockey League** continues to grow we have three objectives for new High School programs.

- Field the best possible teams to compete at Varsity or JV levels
- Build a program that is deep with talent and competitive for years to come
- Develop all interested players regardless of experience

JV-D teams may consist of 8-12 grade players from your school or district areas. If you're individual school or district area can't field a complete team you may join with neighboring schools to make a team. JV-D division will play within The Rinks Fall/Winter Rec-League Midget division ending with a JV-D championship.

JV-D High School “Development Player”

- Receive High School jerseys, uniforms and equipment
- On the official High School JV roster and can be called up at any time (9-12 grades only)
- ADHSHL JV-D Division 16 games and practices
- JV-D Championship
- May be invited to High School practices (9-12 grades only)
- ADHSHL JV-D Division Fee \$ 1600

This is a great opportunity to develop players while building a strong foundation for your High School teams for years to come. JV-D players may be added to your High School roster, attend practices and play games as long as they meet the ADHSHL rules and guidelines.
