## The Great Northwest Basketball League ~~ 2014-2015 Power Ratings

Note: For 6th through 9th grade teams, ratings reflect performance in The Great Northwest Basketball League during the 2013-2014 season. The one exception is a small number of teams that played in the League during a previous season, but not in 2013-2014. In these cases, the rating listed is from the last season played. When a rating for a 6th through 9th grade team is from a year previous to the 2013-2014 season, it is noted with parentheses ().
