UVU WRESTLING

Presents:

9th Annual Alumni Golf Tournament

August 7, 2014

**Fox Hollow Golf Course
American Fork, UT**

Activities & Events

Utah Valley University's wrestling program is entering its 12th season. In the previous 11 seasons, the Wolverine program has been eligible for (5) postseason tournaments and sent 14 wrestlers to the NCAA Tournament. In 2011, Ben Kjar became UVU's first All-American. The program has had several upsets of ranked teams including a great win over Boise State when they were ranked 8th in the country.

This coming season should be exciting with a mix of experience and youth for the 2014-2015 campaign. Two wrestlers have the opportunity to qualify for the NCAA tournament for a third time. Senior Adam Fager (Hwt) and Junior Jade Rause (125) are continuing to improve and look to get on the podium this season

The Wolverine wrestlers are doing an outstanding job in the classroom as well. Their academic performance has earned them a top ten finish 4 out of the last six years (4th, 4th, 6th, & 9th).

Thursday, August 7, 2014

- 8:00am **Registration & Check-In** at Fox Hollow Golf Club

1400 North 200 East American Fork, UT 8400

Located in American Fork, Utah has long enjoyed the reputation as one of Utah County premier public golf course. Since Fox Hollow opening in 1971, the 7,077-yard, Par 72 course has provided a fun and challenging golf experience for residents of Utah County and visitors alike.

Crafted by renowned architect Joe Williams, Hollow's meandering terrain takes golfers through an old style golf course, with water holes. Many mature trees and strategically placed bunkers make each hole both challenging and fun to play. Don't forget to take in the scenery with the beautiful views of the Wasatch Mountains. Fox Hollow includes a lighted green practice facility. Professional lessons available.
