Tryout registration for 2014-2015 Club Season is now available!

(This registration is for full season players. Prep team registration will be available soon)

Tryouts are completely open to EVERYONE interested in playing for NORCO Volleyball. EVERY athlete (whether a new or former NORCO player) has the same opportunity to be selected to any of our teams. Team selection will be based upon the athlete's skill, position, work ethic, leadership, coachability, and attitude. All athletes will be evaluated by many different coaches during open gyms and tryouts. Every effort will be made to place each athlete on the most appropriate team. Coaches have the discretion to make offers to potential athletes prior to the conclusion of tryouts.

All NORCO teams (Regional and National) are competitive and, as such, the coaches (and players) on every NORCO team will be held to the same expectation and standards. It is our expectation that those attending tryouts are genuinely interested in playing for NORCO and plan to make the commitment, regardless of team identification (Black, Blue, White or Silver). Thank you all for attending the 5 OPEN gyms we sponsored!

NOTE: *Tryouts are CLOSED to all except Coaches and Players*
