TO ALL APPLICANTS: Please take time to make this application as accurate and complete as possible. In today's society, there are more and more situations where youth organizations are being accused of putting adult coaches, group leaders, etc. together with children without careful screening and consideration of these applicants. Such difficulties can and have led to litigation. Please help GFYHA fulfill it's legal responsibility to carefully consider applicants coaching positions and ultimately protect yourself by having followed the required process. If you are selected as a GFYHA coach, you WILL BE REQUIRED to complete a criminal background check. THANK YOU!
