The Delmarva Aces Baseball & Softball, Inc., is a non-profit 501c (3) youth baseball organization. The 2018-2019 season is the fifth year for the organization, which consists of 38 teams and over 400 players from the Eastern Shore and Virginia Beach, Virginia. The organization trains its athletes inside a 15,000 square-foot facility located in Berlin, Maryland. The Delmarva Aces is one of the largest travel baseball organizations in the country and is continually growing each and every year.

Our Mission is to offer a comprehensive developmental program that provides every possible opportunity to allow our athletes the ability to reach their athletic dreams and personal goals. In just four short years the Delmarva Aces have been able to guide over 60+ athletes into the collegiate level, with many more players on the horizon to achieve this feat. Our athletes compete locally, regionally, and nationally which would not be possible without the unbelievable support of the community. The Delmarva Aces are not just a baseball organization as the Aces utilize baseball as a tool to help guide athletes into academic, athletic and professional success. **Listed below are sponsorship packages.
