## Wolverine Football

Fall is a wonderful time in the Bellevue community. Each year thousands of people come together as part of the Wolverine Football Family to enjoy the performance of our Football, Cheer, and Drill teams. For the High School kids, this season is the culmination of many years of hard work, dedication to team, and character and skill development that began in the Youth program. For the kids in our Youth program, it is the beginning of an extraordinary personal development opportunity. This special program is made possible by the leadership of our many fine coaches and the sacrifices of the volunteers and parents. Because of your efforts, Wolverine Football is a genuine community treasure.

In 2008, we formed a single, community wide club to support Bellevue area football. We strive to provide quality support and service to help make the football experience enjoyable and accessible. This includes financial support for new equipment, camps, strength and conditioning, coach's training, food and travel. The club and coaches are committed to ensuring EVERY child who wishes to participate is able to do so regardless of means. We appreciate the generosity of the community and invite those of you who have not participated to join the club and get involved.

Go Wolverines!

## **Trygve Carl Skoglund Spirit Bell**

In the memory and spirit of Trygg Skoglund, Class of 2000, a newly replaced bronze bell proudly rings at Bellevue High School football games. Senior players will continue the tradition of ringing the spirit bell as they embark upon the field on game night. The dedication and original bell was built in 2001, from loving donations of our school families, friends, and Booster Club. Unfortunately, the old historical cast iron bell had a crack in it. So that our tradition wouldn't be lost, the Skoglund family replaced the bell. A school landmark, this bell symbolizes the spirit of Trygg and his love of Bellevue Football.

*The Times of your Life!*

## ***It's about Time!***

*Dear Friends,*

*I'm a bit of a Watch Nut. These tiny wondrous machines are so much more than a fashion accessory!*

*They help mark milestones and celebrate life's journey.*

*When I was 13, I received my coolest watch. It was a Pulsar that lit up red when you hit the buttons. The astronauts in 2001: A Space Odyssey wore that watch! It was so futuristic in 1975. I still have it.*

*Later, when I graduated from the UW, my parents' graduation gift was a Rolex. They added a special, sentimental engraving on the backside. I wear that watch with a sense of pride and accomplishment, and much gratitude toward my parents.*

*Timepieces become treasured heirlooms. When my grandfather passed away, he left me his Patek Philippe. He was also a jeweler as had been his father and grandfather. When I wear it, I think of him.*

*My passion for watches and the journey they represent is something I want to share with you.*

*Every year at Goldfarb's we host a "Watch Fair". This year it is **Friday, November 14<sup>th</sup> and Saturday, November 15<sup>th</sup>**.*

*We encourage trade-ins and offer special incentives that make our Watch Fair the "time" to put a new watch on your wrist. Or the wrist of someone you love!*

*We invite you to our Watch Fair, and look forward to welcoming you to our beautiful boutique in Bellevue.*

*Warmly,*

*STEVEN*

**Steven B. Goldfarb**  
President, Goldfarb Jewelers

*Tudor is the sister company to Rolex and shares its reputation for rugged reliability.*

*This Chrono Blue is any watch nut's dream!*

*Panerai watches we're designed for the Italian Navy and underwater missions. But they are AWESOME above water. And very stylish too!*

*The first American in space, Scott Carpenter, had a Breitling on his wrist. This sleek, sexy model will send HER over the moon!*

*The Jaeger LeCoultre Reverso was designed to withstand the rough conditions on the polo grounds. So if you need a gift for Prince William.... or someone else with great taste, here's your watch!*

*The finest in watchmaking for her, Jaeger LeCoultre's Rendezvous! (Other colors available).*

*The Raymond Weil Freelancer in steel with rose gold accents. High end watch making with very attractive pricing.*
