Player Commitment: LHVA is designed to improve and enhance a female athlete's skills and abilities. It is the player's responsibility to fully commit to the club and their team in order to get the best experience from the program. 100 % commitment of the player's time and effort is required. Other sports should not consistently interfere with practices and/or tournaments. Any school conflicts must be presented to the coach at the beginning of the season.

Parent Commitment: Parents are a key role in this experience. Your dedication to your daughter and their commitment to the club is essential. Driving your daughter back and forth to tournaments within our region and practices takes a lot of commitment on your part. Also, one parent from each team is asked to volunteer as a team parent.
