PLAYER OF THE WEEK PITCHER OF THE WEEK

NEWS FLASH

PLAYOFFS

The wild card playoff round which includes two best of three series (#7 vs. #10 and #8 vs. #9) will begin Wednesday 7/27 leaving ample time to give everyone a fair shake. Teams #1-6 get a one week bye until August 2nd when second round play begins.

PLAYOFF ELIGIBILITY REMINDER

A friendly reminder to all players and managers that the WRWBL requires players to have at least seven games played during the regular season in order to be eligible for the playoffs. Players earn credit for games played by recording a statistic at some point during a game. More clearly, this requires the player to have an at-bat, score a run, steal a base or make a defensive play where a putout is recorded for them etc. If a player does not record a statistic in the game it will not be counted towards eligibility.
