During Bruce's tenure, 156 Bangor athletes qualified for the state track & field meet, while 294 were conference champions. Bangor did not have a track facility during Coach Brewer's first 20 years. Since a track & field facility was built, Bangor has hosted one of the largest track invitationals in Western Wisconsin fielding 16-22 teams annually. Coach Brewer also hosted numerous WIAA Regional and Sectional Track & Field Meets. Bruce was the longest serving coach in Bangor history, and also the first coach selected to Bangor's Athletic Hall of Fame.
