

# School Involvement in Out-of-Season Activity

A reminder that schools cannot be involved in conducting out-of-season competition during the school year or during the summer. This means a school cannot conduct 3-on-3 basketball tournaments, co-educational volleyball tournaments, softball tournaments, etc., outside the designated school season for that particular sport. The one exception is in the summertime during the Board of Control approved unrestricted contact period between the end of school and July 31 (5 days for all WIAA sports). This does not prevent outside organizations, such as recreation departments which are not a part of the school, service clubs, etc., from renting school facilities and conducting these types of competitions, but the school itself cannot be directly involved.

A further reminder that the WIAA has a rule which states "A school may not conduct intramural programs which involve athletes with past status on a school team (varsity, junior varsity, sophomore, freshman), except during the established school season of a sport." A school cannot, for example, conduct intramural volleyball during

the spring, with girls' volleyball players participating. It wouldn't make any difference how many were on a given team, or whether it was co-ed volleyball, if girls' volleyball players were involved, it would be a violation.

WIAA rules do not prevent students from participating in non-school out-of-season competitions. However, school facilities cannot be used for students to practice for these competitions, unless a non-school group or organization has made arrangements through normal procedures, to use these facilities.

WIAA Bylaws state that schools, including their administrators, athletic director and coaches, shall not become involved directly or indirectly with the coaching, management, direction, and/or promotion of any kind of all-star game or similar contest involving students with remaining WIAA high school eligibility in any sport, if such all-star games or similar contests are held during the established school year. ■
