

EVENT CANCELLATION & REFUND POLICY

Refunds and Application Acceptance

Any refund of registration fees are at the discretion of the Tournament Director. No refund shall be provided to a team removed from the tournament due to disciplinary reasons. Once a team is accepted the payment form will be charged for the registration fee. Failure to provide correct or adequate payment information may result in the application being dismissed. In the event the tournament reaches capacity for an age group, any applications with unresolved issues will be declined.

Inclement Weather and Playing Conditions

Teams will be expected to play regardless of weather conditions unless deemed unsafe by the Tournament Director or by MTsc. The Tournament Director will determine if playing conditions warrant the postponement, temporary stoppage or cancellation of any scheduled games. The Tournament Director has the authority to modify any and all tournament rules in order to safely and fairly end the tournament successfully in the event of inclement weather. Referees shall retain the right to decide if safe playing conditions exist.

- MTsc is equipped with a lightning detection system. If lightning is detected, all games will be suspended and all players, officials and spectators will be required to leave the fields and take shelter. If possible, games will resume once lightning has cleared the area.
- Games will be considered complete if play is terminated and at least one half of the match has been played. The score at stoppage of play will be considered the final score. If stoppage happened during the first half, every effort will be made to restart or reschedule the game.
- For safety procedures and related communication associated with inclement weather, please click on the “Event Safety” link under the Tournament Tab or the “Safety and Communication” tab on the homepage of www.MetroTulsaSoccer.com.

Tournament Cancellation

In the event the Tournament is cancelled, either in whole or part, MTsc is NOT responsible for any expenses incurred by any team. However, a portion of the team registration fee may be refunded after any outstanding tournament expenses incurred by MTsc are deducted.
