Mr. Steve Bower  
Lake In The Hills Youth Athletic Association  
Lake In The Hills, IL 60156

November 4, 2014

Dear Mr. Bower and Parents in the Lake In The Hills Youth Athletic Association,

We would like to express our extreme gratitude for your efforts and donation to the Midwest Children's Brain Tumor Center at Advocate Children's Hospital on behalf of the Brian Krueger Memorial Tournament. We remain humbled as your recipient again this year and are so honored to accept this in Brian's memory.

This money raised continues to assist the Midwest Children's Brain Tumor Center in providing family support events that offer our patients and their families a time to forget about the hospital and treatments and allows them to have some fun and meet others who share their journey. Through these events our families are able to support and encourage each other, helping them continue in this difficult time in their lives.

Thank you for keeping Brian's memory alive through this fun tournament. It was an honor to attend the opening ceremonies and meet everyone. We hope to see you for the 10<sup>th</sup> Anniversary tournament.

Gratefully yours,

Rita Knapp on behalf of the  
Midwest Children's Brain Tumor Center and Pediatric Oncology Group

Cc: The Krueger Family
