

## **GTFA Official Uniform (Colors: Navy Blue and Gold)**

- GTFA Navy Blue Jersey
- GTFA Navy Blue Shorts/Pants
- GTFA Gold Socks
- GTFA Navy Blue Socks
- Facemasks, Sliding Pads and Sliding Shorts are highly encouraged.

Per tournament rules (ASA/NSA/USSSA, etc.): all teams must have the same uniforms/colors and jerseys are required to be “tucked in.”

Any additional items players choose to wear under their uniforms, such as t-shirts, Under Armour, or sliding shorts, should match the official GTFA uniform in color (Navy Blue, Gold or White) to ensure the teams are in unison.

GTFA sweatshirts, pullovers, flannels, etc. will be available to purchase on Uniform Day (in addition to the uniform staples listed above).

All players are encouraged to have their own helmets and water bottles. All helmets must be “safety certified,” have face masks securely tightened and have a chin strap.

All other equipment such as bats must be in compliance specifically with ASA rules.

Equipment may be inspected at tournaments.

\*\*Each head coach will communicate any additional items that are needed to be purchased.
