

October 7, 2013

Dear Prospective Sponsor,

The Glenview Titans Fastpitch Association (GTFA) is a recognized organization of the Glenview Park District, which is strictly ran by volunteers. This season we have 6 teams representing GTFA, providing 72 girls the opportunity to play travel fastpitch softball in a competitive, instructional and rewarding environment.

Our biggest fundraiser for our organization is our annual Thunderbolt Classic tournaments that will be held in June.

We expect about 64+ teams or 768+ players, along with their families and friends to be in attendance in the Glenview area over these 2 weekends in June. In the past, teams from the surrounding communities such as Northbrook, Gurnee, Oak Park, Wauconda, Deerfield, Lake Forest, Winnetka, Mt. Prospect, Vernon Hills, Libertyville, Skokie, Oak Lawn, Wilmette, Buffalo Grove, Evanston, Mundelein, Naperville, Chicago even as far as St. Charles and Wisconsin have participated in our tournaments.

Unfortunately, the GTFA player fee does not cover all of our expenses. In order to keep our fees at a reasonable price we rely on the generous monetary donations by our sponsors.

We have a variety of different sponsorship levels that companies/business owners can choose from depending on how they would like to benefit. Some options may include but are not limited to the following:

- Logo on player practice t-shirts
- Logo on GTFA website for one season
- Listed as a sponsor on monthly GTFA newsletter
- Ad space in Thunderbolt Classic tournament book
- Ability to set up a booth at the tournament
- Great exposure at Thunderbolt Classic tournaments

For more information on becoming a sponsor, please email titans.fastpitch@yahoo.com. Thank you in advance for considering to support our organization!
