

FOOTBALL

1 SANDY CREEK JR. PATRIOTS

JR. PATRIOT FOOTBALL PHILOSOPHY

The Sandy Creek Youth Football Association is committed, first and foremost, to the holistic development of every young person in the program. Like our parent program – the 3-time State Champion Sandy Creek High School Patriots – we play championship football, but the Sandy Creek Junior Patriots are about so much more than that. Our goal is to help every student master the game of life, through the lessons we learn from athletics. We teach tough, smart, disciplined football, while always maintaining a proper perspective on what's really important – the safety and well being of every child we have the privilege to coach.

Sandy Creek Youth Football is not your typical youth program. Our core values emphasize character, positive behavior, academic success, integrity, accountability and responsibility. We believe that football is the best teacher of life there is, offering the young athlete many opportunities to develop life skills through the ups and downs of competitive sports. Our coaches are respected leaders in the community, who are committed to helping every player achieve his maximum potential, and who promise to do so without profanity, verbal abuse or inappropriate behavior. Our Board of Directors, coaches and parents are expected to set a proper example for our players – a standard that we hold ourselves to daily.

We take great pride in our relationship with the Sandy Creek High School players, coaches and administrative leadership team. Our players are taught the Patriot Way from the outset, including plays, defenses, terminology and most importantly, the winning mindset. We want to produce players who are fit, focused and familiar when they arrive at the high school, so that the winning tradition that has been established will continue indefinitely. It's a culture we like to refer to as Patriot Pride. Welcome to the finest youth development program in metropolitan Atlanta – we appreciate the trust you've placed in us by allowing us to influence your child. Go Creek!
