

West Covina Youth Soccer League

April 19, 2015- Spring 2015 Edition- Issue #2

Thank you Coaches!!

Taking on the role of a coach is a big responsibility. It takes time and energy to be able to come out day in and day out to be on the field for the kids. It is only because of all the wonderful volunteer coaches that this league is very successful. All of your patience, persistence and you never giving up on the children is what makes the teams come together. The BOD would like to say a big THANK YOU for all of you guidance that you provide the children and your continuous support to the league.
