

How to find assigned umpire contact information.

1. Log in to your Sport Ngin account.
2. Go to your team page.
3. Under the Five Day View, click 'View All'

4. You will then be taken to the Calendar page which will show all games and events for your team. Find the game for which you want to find umpire contact information.

5. Under each game is the list of tags associated with the game. If there has been an umpire assigned, then one of the tags will be Umpire – Name. Click on this tag and you will be taken to the Umpire page where you can find contact information and the preferred method of contact.
