

Corporate Volunteer Hour Match Program

There's a chance that you work for a company that matches the hours you spend volunteering by providing donations to your favorite organization. Many companies will match an employee's time volunteering (this includes tasks like coaching or helping in the concession stand) with a financial gift to the nonprofit – and the donations help us improve the league! Want more information? Reach out to your company's Human Resources Department.

How does the Volunteer Hour Match program work?

Although programs may vary from company to company, the process is usually very simple:

1. Confirm that your company has a volunteer matching hours program and obtain the appropriate Matching Hours Form or website link from your employer. Volunteer matching hours must be employee initiated. Coon Rapids/Andover American Little League cannot request the match of your volunteer service.
2. Complete the paper form and send it to Coon Rapids/Andover American Little League at our physical donations address:

CRALL

P.O. Box 48375

Coon Rapids, MN 55448

or email the form to: CRALLBaseball@gmail.com

or submit your hours via the link your HR Department gives you.

3. CRALL will verify your hours and send the form back to your company
4. Your company will send a matching contribution to CRALL
5. Volunteer Hour Matches should be directed to:
