

Pets in the Park Notice:

To all pet owners,

Like most, if not all, Little League parks, we at CRALL at one time had a strict no pet policy. In recent years we have tried to compromise by allowing pets to remain on the very outside perimeter of the park at all times. Pets are not allowed in or around the bleachers and must stay out of all common areas.

There are signs posted at all four entrances of our park. It is our hope that everyone will adhere to this rule in order to allow it to stay in effect. Otherwise, we will have to go back to a complete no pet policy.

Thank you in advance for your cooperation.

Sincerely,

Coon Rapids / Andover
