The Schaumburg Athletic Association is a not-for-profit organization run strictly by volunteers to provide athletic programs for the youth of the community. SAA has nearly 6,000 participants in its various sports programs each year. Corporate sponsorships assist SAA in keeping costs down. The rising costs to keep our members informed, insured, and serviced are offset by the generosity of companies such as yours and is an important building block to the success of these programs.

General SAA sponsorships will directly assist all members of the organization. A sport sponsorship will assist only those who participate in that sport to defray the cost of uniforms, equipment, and league or tournament fees. In appreciation for your choice of sponsorship amount, SAA will acknowledge your company as follows:

- **\$500** - company logo and info posted on the SAA website for 6-months
- **\$1,000** - company logo and info posted on the SAA website for 1-year with link to the company's website home page
- **\$1,500** - company logo and info posted on the SAA sport webpage for 1-year, link to the company's website home page, and mention in 1 issue of the SAA monthly e-newsletter
- **\$2,000** - company logo and information posted on the SAA sport webpage for 1-1/2 years, link to the company's website home page, mention in 3 of the SAA monthly e-newsletter, and an appreciation plaque

Note: When sponsoring a specific sport, when time permitted and appropriate, sponsorships of \$500 or more will be listed on banners used at home tournaments.
