Your Sponsorship is appreciated!

The Coastal Valley Soccer Club (CVSC) is a non-profit sports organization with players throughout the central coast from Paso Robles to Santa Barbara. The goal of all CVSC teams is to start with a great group of young players and develop sportsmanship, technical skills, tactical skills, team skills, and individual "life skills" in our athletes. We believe that good sportsmanship within a team atmosphere will lead to the development of better academics and better citizens in our youth.

Another goal is to never turn away any child with the desire to play club level soccer because of financial reasons. However, for some families the financial burden prohibits participation, or places a financial burden on the entire family. This is how your sponsorship and/or donations can help our athletes. Sponsorship and donations help to pay for equipment, uniforms, tournament fees, referee fees, camps, and travel to tournaments.

We appreciate our sponsors! We will recognize our sponsors on the CVSC website, a thank you letter in the newspaper, and other forms of recognition and advertisement.

Respectfully,
