

# Hatters Ice Hockey Registration 2016-17

## Keith Valley Middle School

We are making it our **priority** and mission to build and maintain a middle school program to help feed our high school program. Keith Valley is the **keystone** building block of the Hatters Ice Hockey Club. It is essential to develop skills and a good work ethic at a young age to build a successful varsity team.

We follow USA Hockey's ADM program, which states, *"The American Development Model is a nationwide model for successfully developing American hockey players. It is a tool that will ensure every kid will have the same chance to succeed."*

Our coaching staff is USA Hockey certified. They strive to teach and develop each player to the best of their ability while maintaining a fun and safe environment. All coaches are required to have USA Hockey accreditation for the level they are coaching. To avoid any conflict of interest, **we do not allow parents to be on the bench**, ensuring everyone gets fair playing time.
