4. Coach's Report
 - a. Polar Plunge – Was a huge success. The boys are already talking about next year having even more than 12 boys that attended this year. And hopefully Coach Tyma can make the plunge next year!!
 - b. North Boys will be coaching Soccer Tots this spring on May 16th (Prom night) and May 30th (same date as an Elite tourney). We will be looking for about 20 boys for this.
 - i. New LSC Club DOC, Chad Moore, wants to change how this program runs, will be providing the lesson plans, and asks same players show up both Saturdays (8:30-11am).
 - ii. We will get a donation from the club for this work (\$1200.00 has been past practice).
 - iii. Prefer boys who were on the section roster are the coaches and then fill in with others where needed. Coach Tyma plans to meet with the boys soon to discuss.
 - c. Summer Camp will be the last week of July (27-31). Likely 3 days in morning/early afternoon. Note that LSC summer tryouts will not conflict, because they will be in the evenings.
 - d. LNHS athletic director Russ Reetz has announced he is leaving (to go Prior Lake). Coach Tyma will be meeting with him before he leaves to discuss some open items:
 - i. Funds to replace goals on multiple fields.
 - ii. Funds for new white jerseys for both JV and Varsity (possibly). We may look at using Booster money (around \$2,000) to get matching red jerseys for both teams.

- e. Sections for next year have been revamped. Northfield is no longer in our section, replaced by New Prague. We are likely going to continue to schedule Northfield anyway (for the experience).
- f. C.J. Harrison is looking for some experienced players who may be interested in helping coach a U9 team next year.

5. New Business

- a. We discussed that for Youth Night this year, Robyn's duties would mainly be reaching out to the Youth Night coordinator at Lakeville South, and offering any assistance our team can provide. And to coordinate with the Lakeville North Girls Soccer team (as appropriate).
- b. Chad gave a quick update on the Thursday trainings. It has continued to be good participation and we have been lucky to have some good coaches available. More to come.
- c. We had a quick discussion on Scrip. There are now a lot of people that have signed up for Scrip, but many are slow getting started using it. Robyn gave some ideas on some tips she has used for other groups when she helped get them started. Wayne and Robyn are going to reach out to Leanne to discuss options and potentially having Robyn help a little on the marketing/education side.
- d. We discussed the potential of having the boys do a Pizza Ranch Fundraiser some Monday night. The boys would do some marketing to families and friends to promote the night and then we would provide some boys to help out the restaurant that night. In return, our Booster club would receive 10% of the sales from 5-8pm on that night (including delivery orders). The thought was this could be a fun "team bonding" evening for the boys (and raise a little money). Robyn is going to look into it further.

6. Review of any Action Items

- a. For Youth Night, Robyn was going to reach out the South coordinator and the North girls to see how we can help.
- b. Robyn and Wayne will reach out to Leanne to discuss how we can help with any marketing/education ideas.
- c. Robyn to gather more details on Pizza Ranch fundraiser.
- d. Wayne will write/email the minutes.

7. Next Meetings (moving to Thursdays):

- a. Thursday, April 9, at 7pm
- b. Thursday, May 5, at 7pm
