- Select 1 – Hockey
- Press select to Yes – Change Game
- Enter Period Time: See Chart
- Periods = 3
- Timeouts = 100
- Allowed = 1
- Minor Penalty = See Chart
- Major Penalty = See Chart
- Auto Horn = Yes
- Last Minutes Tenths = Yes
- Skip “Time Change”

Basic Operations

- The Patriots do not track Shots on Goal on the Console
- Start the warm up time when the referee allows skaters on to the ice
- Press Start/Stop to actually run the clock
- Press the Horn if you need the referee’s attention

Edit Clock Time (Time shortened game)

- Since we are only allowed certain amount of ice time, the referee can reduce the time if they feel we will run out of ice time.
- Click edit Time button
- Enter in the new time
- Press Enter

Goals

- Press the Horn after Goals or if you need the referee's attention
- Press the team [+1] button when a goal is scored.
 - If you accidentally add to the wrong team, you can correct it by [-1] button
- Check for any penalties on the board that need to be removed

Warm-ups \ Intermission

- Press the Intermission button
- Set Time
 - Warm-up: See Chart
 - Intermission: 0100
- Press Start time
- After buzzer sounds
- Press Period +1
- Press Reset Time

Timeouts

- Press the teams Timeout -1 button
- Clock will appear on console

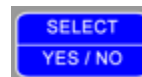

Penalties

Entering Penalty Time

- Press Penalty (Home or Guest)
- Enter the number of skater
- Select the type (1 – Minor or 2 – Major)
- The Time will automatically run with the clock.

Edit Penalty Time (Accidentally remove penalty)

- Press edit under the teams penalty section
- Select the Penalty on the board
- Press the select button to change to YES
- Edit the number
- Edit Time

Delete Penalty Time (After Goal)

- Press the Delete button under the team penalty section
- Select the Penalty
- Press the Select button to change to YES
