

2015 INDUCTEE
MIKE STOSKOPF

What we truly enjoy in life that is what we should do. With honest prayer, effort and heart we can accomplish our greatest desires. It comes down to: what are we willing to do for our faith, family friends, health etc. Success is often thought of by winning, but real success is getting up when we are down. That is what makes us who we are. Anyone can run from trouble, facing it builds courage, character and makes our accomplishments more enjoyable.

High School Athletics gives young people an opportunity: yes, an opportunity to face adversity. If our goal in life is to always be comfortable, then we won't know how great it feels to warm up after we are really cold, or have a glass of ice cold water when we are exhausted.

I want to encourage you to have courage. Most of the below mentioned accomplishments would not have happened without a caring wife, family, friends and assistant coaches who encouraged, lead and taught. Mostly, I would like to thank all the players for all they have given.

Mike was a successful student athlete and participated in four high school state tournaments at Eagle River. He was conference MVP in 1980. After high school, he had a brief stint with the Junior A Green Bay Bobcats of the United States Hockey League. He went on to play at UW-Stevens Point from 1981-84, serving as team captain in 1984.

**Career record at Antigo 12-10-2
Hudson 348-176-16
Combined 360-185-18**

**State Championships: 2001, 2004
